

TRANSIT
INSTRUCTION

- Individual Destination Instruction

One-on-One training to/from a specific origin and destination

- Transit System Instruction

One-on-One training to learn overall use of the entire bus system using Rider Information Office, bus schedules, On-line Trip Planner, etc.

- Group Transit Instruction

A classroom style training which is designed to be an introduction to using the bus/rail systems; each classroom presentation is followed by a field trip to reinforce what was discussed in the classroom

- Lift or Ramp Instruction

One-on-One training to learn how to board Metro and Sound Transit buses with a mobility aid; training is conducted on an out-of-service bus so that the individual has the opportunity to practice using the lift/ramp numerous times

- Community Outreach

Presentation to local community agencies/organizations to introduce Transit Instruction to the staff and/or family members who support potential trainees
