

Northwest Regional Spinal Cord Injury System
Rehabilitation Medicine
University of Washington
presents

2017 Spinal Cord Injury Wellness Summit

Saturday, November 4, 12:30 – 5:00 PM

The Brig (Building 406) at Magnuson Park
6344 NE 74th Street,
Seattle, WA 98115

Please join us for our sixth annual SCI Wellness Summit, featuring:

- “Cool Things”: what your SCI peers are doing for fun and community
- Manual wheelchair maintenance class
- The latest high-tech devices for individuals with little or no hand function
- Discussion group for individuals with SCI who are very incomplete and mostly ambulatory.
- Panel discussion: how can rehab health professionals better serve their SCI patients?
- Continuing education credits for PTs and OTs.
- New location, with free parking all day. Doors open at 12 noon.

Presentations ♦ Demonstrations ♦ Panel Discussions ♦ CEUs for therapists ♦
